Football Information:

Non-Competitive football (Tiny Mite and Mitey Mite divisions) is offered to boys ages 5-9.

Competitive play (Junior Pee Wee and higher divisions) is offered to boys 8-15. Participants will be placed on a team in the appropriate division based on age (as of July 31, 2008), and weight.

The younger players at the Tiny Mite and Mitey Mite divisions do not participate in competitions but do have an exhibition with other teams within Central Arkansas Pop Warner.

Participants in the Junior Pee Wee division and up compete at the local league level for the opportunity to advance to regional and national competition.

As you decide whether or not you want to play, we hope you will take the following into consideration:

- While participating in Central Arkansas Pop Warner, your child will be on a squad of no more than 22 players. Most of our teams have approximately 25 players.
- At Central Arkansas Pop Warner, your child is guaranteed playing time in every game.
- Because Central Arkansas Pop Warner teams are smaller than school teams, your child will receive more individualized instruction.
- We emphasize developing and strengthening fundamental skills.
- Every head coach is USA Football certified, and there is someone certified in first aid and CPR on each squad's coaching roster.
